Memo

To: Local Service Program/Contracted Services Providers

From: Carlos Martinez

Date: July 3, 2008

Re: 2008-2009 LSP/Contracted Services Contracts

The purpose of this memo is to inform you that as a result of an expected decrease in state-wide tax revenue collections, the Department of Elder Affairs is holding back 4% of all State of Florida General Revenue funded programs, including LSP and Contracted Services for FY 2008-2009. The Alliance will amend all LSP/Contracted Services contracts accordingly. A hold back, as opposed to a budget cut, can be rescinded if, and when, funding becomes available.

In order to provide you with information regarding legislative activities affecting Alliance for Aging funded programs, we have asked Mr. Fausto Gomez of the firm Gomez Barker & Associates to make a presentation to all service providers participating in any of the State General Revenue Funded programs.

The presentation will be held on Thursday, July 10 at 2 PM at the City of South Miami-City Hall Commission Chambers located at 6130 Sunset Drive (SW 72 Street), Miami, Florida 33143

Any further notice/information will be posted on the Alliance for Aging website: www.allianceforaging.org

Attendance is not mandatory but highly recommended.
