This addendum modifies the calendar of events and provides additional information to applicants concerning the service unit rates.

The calendar of events is modified by moving all of the events that were to take place on September 28th, to September 29th. This change is needed to accommodate an important religious holiday. These changes are reflected in the attached "Calendar of Events" file.

Additional information concerning unit rates is provided pursuant to a request filed under Ch. 199 F.S. The data provided are the unit rates by provider, program and service for all programs currently sponsored by the Alliance For Aging Inc. The data is contained in the EXCEL file "Provider Unit Rates By Program and Service."
