

Regarding the Bidder's Conference on September 4th at 4 pm. Will there be a phone in number so that bidders from Monroe County can participate during the 4 pm meeting via conference call? It is not cost effective for Monroe County staff to attend a 4 pm meeting on a Friday. This will require overnight travel, especially for staff traveling from Key West, the County Seat. During this time of budget constraints, a conference call line would be appreciated.

Please advise.

Good Morning,

We downloaded the application from the website and picked up the hard copy; however, the application online is a pdf and cannot be modified unless each page is copy/pasted and reformatted into word. Can you post the RFP in Word and Excel form as applicable?

Thanks,

Hi! Mr. Horacio Ferrer,

My name is Gladys Echevarria. I have a Master in Social Work and I have experience working with elder population. Thanks for sending me the information. I would like to know the best way to apply for a position under the Older Americans Act Funding. Do you have an application form that I could download in your website? Do I have to go to the Alliance for Aging office to pick it up and send it by mail? If you hire staff, do you know since when they will be working? It will be this year or next year 2010?

Thanks very much. My resume is attached. My phone number (305)819-7787.

The application is available (See Appendix VIII, Parts 1 through 4.) at the following link:
