Hi Kathy,

I was also great meeting you and your presentation was very informative. To access our healthcare benefits notebook you will need to log into www.dadeschools.net, click on 2009 Employee Benefits, then click on retirees and the book should pop up.

Let me know if you need further assistance in locating and thanks.

Hi Rosa

It was great to meet you on Saturday! Can you provide a copy of the plan that the educators get once they are on Medicare? It is not available on the web. This would allow the SHINE Counselors to assist the retired educators that call us asking for help.

Thanks!

Kathy Sarmiento
